

GOING GREEN FOR 2019!

Starting January 1, 2019, we will be going green with FREE eStatements!

You won't miss paper statements with these online benefits. We've made it easy for you to receive free electronic statements for your eligible CCCU checking, savings and Select Credit accounts. With eStatements you can view, download or print an electronic version of your statement that looks just like the paper version you receive by mail. If you would like to receive paper statements there will be a \$5.00 fee, starting January 1, 2019.

Benefits of eStatements

- Up to 18 months of extended access to electronic deposit account statements
- Email notifications when your new statement is available
- Added protection against identity theft
- Up to 18 months of electronic statements available online for Select Credit accounts

When a statement or notice is available, you'll receive a courtesy email letting you know that your document is ready for viewing. It will contain a direct link to your statement or notice. E-Statements are encrypted with the Internet Banking ID and password that you use to log into Internet Banking.

It's easy to get started.
