

eStatements FAQ

e-Statements are secure, convenient and the quickest way to receive your bank statement.

Why switch to paperless e-Statements?

- Eliminate paper statements and all that filing.
- Faster. You are notified within seconds of when your e-Statement is produced.
- Safe and secure; e-Statements do not travel through the mail.
- Easy to view, print, save and archive.
- Environmentally friendly.
- Available with any of our checking or savings account products.

How do e-Statements work?

- Receive an email when your e-Statement is ready to view with a link to our website.
- Go to our website and logon to 'It'sMe247' Online Banking.
- Access your e-Statement from the Documents Tab.
- View, print or save your e-Statement.
- The Bank will archive up to 18 months of e-Statements for you.

What do I need to view my e-Statement?

e-Statements are created in HTML or PDF format. You must have Adobe Reader or a viewer capable of reading PDF files installed on your computer. [Click here](#) to download and install the most current version of Adobe Reader.

HOW DO I ENROLL?

Complete the online [e-Statement](#) Application or contact a Member Service Representative and we will get you started.
